16) A priori I am in sympathy with the idea of supplying clothing to these menials periodically, but it is necessary to consider the reaction it will have on the large number of menials on Govt employ in corresponding offices

17) In July 28 the Resident Mysore & Bd reported that clothing was not being supplied free - now on the strength of a supply made to 2 menials of the D.C's office clothing is proposed - Probably the other menials of the Revdept in the D.C's office will quote this precedent & ask for clothing for all of them & so on -

18) It is desirable to have some uniform practice in the matter.

20) As observed by the Member, the grant of the concession of free clothing to all the peons of the Mysore Dt. Board office will lead to an embarassing position as the precedent will be taken advantage of by the menials in other Local Fund offices and in all Govt. offices in the District -

21) This will have the effect of enhancing the cost of administration appreciably without benefit to the tax payer.

22) At the same time, I have to point out that the case of Mysore city - the Capital of the State and the residence of H.H. the Maharaja - which is visited by distinguished visitors practically all through the year - may be considered as deserving of special treatment

23) Applying the general principle that free clothing may be allowed to a limited no of menials who are required to be in attendance on high officials, or who come in contact with distinguished personages, I would suggest that 2 or 3 of the servants of the Mysore Dt. Board office may be given the privilege of free clothing on the usual scale.

24) It is now open to the President to approve of the proposal in its entirety for reasons stated above

25) A. may be done.

It will probably be necessary to face & consider a scheme to give clothing to all menial servants of Govt -

I have the honor to state that the peons of this office, having presented an application stating that the pay of Rs12/= they are receiving is quite inadequate for their maintenance and praying therefore that they may be supplied with dress free of cost, an estimate for Rs89/= was got prepared by the Reserve Sanitary Inspector and placed before the Standing Committee on 20-11-1929. With their recommendation the estimate was placed before the District Board at their Meeting held on 14-12-1929 when a resolution (copy enclosed) was passed sanctioning the estimate. SIR,

27/3/30

With reference to your letter No. L.5864/L.B.23-29-15 dated 4-2-1930 calling for further particulars regarding the supply of dress to the peons of the District Board Office, I have the honor to state that free clothing was not being supplied previously to the menials of this office. As they represented that they cannot afford themselves to have proper dress on account of their smallness of pay, that and in view of the fact that certain offices such as the Mysore University Office, the Mysore City Muncipal Office et have given free clothing to the menials establishment of their offices, their prayer for the supply of dress free of cost, was favourably considered by the District Board and recommendation was accordingly made.

The Government have since been pleased to sanction the supply of free clothing to the Jamedar and Daffedar of the Deputy Commissioner's Office, though their pay is higher than the pay of the peons in question. It may also be mentioned here that the District Board will have a Non official President in future and it seems desirable that the peons should have a suitable uniform which they cannot be expected to have on account of the small pay they get.

In these circumstances I request that the Government may be pleased to sanctio
